

## ORGX Community

From the Inside: What makes ORGX a place where we actually enjoy Mondays

---

*"Why I love working at ORGX:*

- **Motivated team:** we want to transform how our clients work for the better, and we actually put effort into it
- **Love a challenge:** we don't stop in front of challenges, it's those that make the work fun and never-the-same
- **You are allowed to make jokes:** be cliché or very ironic, we accept everything but no jokes on Italian food ;) "
